**CATIE LOW
MOVERS & SHAKERS**

- **Chris FitzGibbon** has joined **Andrew Donnelly's** financial services and insurance broking business, West Coast Group. The former State director of insurance broker AON will act as a corporate broker with a focus on the State's booming resources sector.
- **Geoffrey Clifford** has joined the board of Fox Resources as an independent non-executive director.
- **Keith Huston** has been elected chairman of the WA chapter of the National Association of Steel-framed Housing. Mr Huston has more than 30 years experience in steel production and he is the technical/operations manager at JV Global — a roll-formed steel building products manufacturer.
- Diversified internet technology systems group Synergy Equities has appointed **Russell Humphreys** as product manager after the resignation of **Steven Pearson**.
- Former resources controller for TRICOR, **Lee Henley**, has joined gold and base metals company Bass Metals as financial controller.
- **Jan Lippie** has been made Way's area manager for Centreline. The former general manager of client services and communications for Challenger TATE has taken charge of the services Centreline delivers to 675,000 people living anywhere between the Pilbara and Esperance.
