

Diversity Policy

The Company and all its related bodies corporate are committed to workplace diversity.

The Company recognises the benefits arising from employee and Board diversity, including a broader pool of high-quality employees, improving employee retention, accessing different perspectives and ideas and benefiting from all available talent.

Diversity includes, but is not limited to, gender, age, ethnicity and cultural background.

To the extent practicable, the Company will address the recommendations and guidance provided in the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations.

The Diversity Policy does not form part of an employee's contract of employment with The Company, nor gives rise to contractual obligations. However, to the extent that the Diversity Policy requires an employee to do or refrain from doing something and at all times subject to legal obligations, the Diversity Policy forms a direction of the Company with which an employee is expected to comply.

All queries regarding issues raised in this policy should be directed to the Company Secretary
